

RD Certificate Number: EW115A

Abbey Pynford Housedeck Foundation System

Description

The Abbey Pynford Housedeck Foundation System for use in residential and domestic applications.

Scope of Registration

A foundation System which comprises a reinforced concrete slab supported on bored piles, driven piles, Vibro floatation, Vibro concrete columns, engineered fill or stabilized ground. There are two basic types: Standard (deck supported from piles or treated ground, directly on the ground surface) and Voided (deck supported by piles, Void designed to accommodate ground heave and deal with gassing sites).

Validity

This system has been checked for compliance in accordance with English and Welsh Building Regulations.

Registration was first issued on 03/06/11 and is valid until 26/11/22 providing there are no amendments to applicable regulations.

Issue dated 08/01/2020
