EQUAL OPPORTUNITIES

a) Policy

The Company recognises that discrimination is unacceptable and although equality of opportunity has been a long-standing feature of our employment practices, we have made the decision to adopt a formal equal opportunities policy. Breaches of the policy will lead to disciplinary proceedings and, if appropriate, disciplinary action.

The aim of the policy is to ensure no job applicant, employee or worker is discriminated against either directly or indirectly on the grounds of race, colour, ethnic or national origin, religious belief, sex, marital status, sexual orientation, gender reassignment, age or disability. We will also not discriminate against anyone who is associated with another individual who is protected under equality legislation and are committed to preventing discrimination of any type against its employees by third parties like suppliers, clients and the general public.

The Company will ensure that the policy is circulated to any agencies responsible for our recruitment and a copy of the policy will be made available for all employees and made known to all applicants for employment.

The policy will be communicated to all private contractors reminding them of their responsibilities towards the equality of opportunity.

The policy will be implemented in accordance with the appropriate statutory requirements and full account will be taken of all available guidance and in particular any relevant Codes of Practice.

The Company will maintain a neutral working environment in which no employee or worker feels under threat or intimidated.

b) Recruitment and Selection

The recruitment and selection process is crucially important to any equal opportunities policy. We will endeavour through appropriate training to ensure that employees making selection and recruitment decisions do not discriminate, whether consciously or unconsciously, in making these decisions.

Promotion and advancement is made on merit and all decisions relating to this are made within the overall framework and principles of this policy.

The Company adopts a consistent, non-discriminatory approach to the advertising of vacancies.

The Company will not confine our recruitment to areas or media sources which provide only, or mainly, applicants of a particular group.

All applicants who apply for jobs with us will receive fair treatment and will be considered solely on their ability to do the job.

All employees involved in the recruitment process will periodically review their selection criteria to ensure that they are related to the job requirements and do not unlawfully discriminate.

Short-listing and interviewing will be carried out by more than one person where possible.

Interview questions will be related to the requirements of the job and will not be of a discriminatory nature.

The Company will not disqualify any applicant because he/she is unable to complete an application form unassisted unless personal completion of the form is a valid test of the standard of English required for the safe and effective performance of the job.

Selection decisions will not be influenced by any perceived prejudices of other staff.

c) Training and Promotion

All promotion and opportunities to training will be in line with this policy.

d) Monitoring

The Company will maintain and review the employment records of all employees in order to monitor the progress of this policy.

Monitoring may involve:

- a) the collection and classification of information regarding the race in terms of ethnic/national origin and sex of all applicants and current employees
- b) the examination by ethnic/national origin and sex of the distribution of employees and the success rate of the applicants
- c) recording recruitment, training and promotional records of all employees, the decisions reached and the reason for those decisions

The results of any monitoring procedure will be reviewed at regular intervals to assess the effectiveness of the implementation of this policy. Consideration will be given, if necessary, to adjusting this policy to afford greater equality of opportunities to all applicants and employees.
